F. No. AICTE/P&AP/Misc/2022/   Dated: 20.05.2022

CIRCULAR

To

**All Vice Chancellors of Technical Universities and
All Directors/ Principals of AICTE Approved Institutions,**

Subject: COVID-19 Guidelines/ SOPs to be Implemented by AICTE Approved Institutions/Universities.

Sir/Madam,

Padeepz App

      As you are aware that Covid-19 pandemic was notified as a disaster under sections 6(2)(i) and 10(2)(1) of the Disaster Management Act, 2005 on 23rd March, 2020 against the backdrop of rapid global spread of the disease, uncertainty regarding the nature and impact of its spread. The active Covid-19 cases have now dipped to a great extent. Government of India has therefore decided to discontinue the provisions of Disaster Management Act, 2005 w.e.f. 1st April, 2022 to manage the pandemic.

      Though the spread of Covid-19 Virus has been contained to a great extent but it is still prevalent and it is therefore necessary that proper preventive measures and Covid-19 appropriate behaviour be continued in full earnest. In this regard Guidelines/Standard Operating Procedures (SoPs) have been prepared to be followed by all AICTE approved Institutions.

      A copy of the same is attached herewith for compliance. You are therefore, requested to notify these guidelines through website etc., to create awareness about the same and ensure that these guidelines be followed in letter and spirit.

Regards

(Dr. Ramesh Unnikrishnan)
